

PRODUCT DATA SHEET

Astarte

DESIGN BY :

Richard Sapper
1990

MATERIALS :

Painted Steel

DESCRIPTION :

Wall support in painted steel; carbon fibre stem extension available on request; reflector in anodised aluminium. Reflector is adjustable on the horizontal axis and by sliding along the stem, allowing the light source to reach the centre of big spaces, without encumbering the space on the floor.

Lamp included with dimmer.

Light emission

Indirect Adjustable
