

## PRODUCT DATA SHEET

### Trifluo - Mwl

MYWHITELIGHT®

#### DESIGN BY :

Franco Raggi  
2006

#### MATERIALS :

Aluminium, methacrylate

#### DESCRIPTION :

Suspension lamp with aluminium structure, lower prismatic diffuser in methacrylate, upper diffuser in transparent methacrylate.

It uses RGB light sources, which enable a limitless variation of white light with different intensities and a variety of colour temperatures, from the warmest (2.500 K) to the coolest (20.000 K). The colour selection functions are set by an infrared remote control.

#### Light emission

Direct/indirect

### TECHNICAL DATA SHEET

#### Features

Product name:	Trifluo - Mwl
Article Code:	1344010A
Colour:	White
Material:	Aluminium, methacrylate
Series:	Design, My White Light
Environment:	Indoor
Area contract:	Office

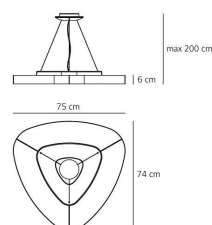

#### OPTICS

Emission:	Direct/indirect
-----------	-----------------

#### DIMENSIONS

Length:	(cm) 75
Width:	(cm) 74
Height:	(cm) 6
Max Height from ceiling:	(cm) 200
Cutout shape:	

#### Dimensions

#### LAMP

#### ELECTRICAL

Starter:	Electronic Integrated
Voltage:	220V-240V
Remote control:	Infrared
