Algoritmo System - Diffused Emission - Wired gear plates white LED Double emission - 122W 2368mm 3000K Non dimmable + Diffused Emission Optic

DESIGN BY

Carlotta de Bevilacqua, Paola di Arianello

DESCRIPTION

A modular system for ceiling or wall-recessed installation, to be installed as a continuous line or with angles, composed of structural modules in extruded aluminium, of pre-wired gear plates with through-wiring and quick-connection system of optics systems and components for connecting, fixing, joining or finishing the system. The prewired LED plates were designed for diffused emission, wall washer light, prismoptic or controlled emission, for projectors integration (PAD or Cube 37), for 3 phase track alimentation. Complies with standard EN60598-1 and any other specific standard.

FEATURES			
Article Code: Installation:	M2885W00 M186800 Recessed, Wall, Suspension, Ceiling	Series:	Indoor
DIMENSIONS			
Length: Weight:	cm 236 kg 2		
INCLUDED SOURCES			
Category: Number: Watt: Type: Class:	LED 1 122W 0 A	Color temperature (K):	3000K
LUMINAIRE			
Watt:	122W	Delivered lumens output (lm): CCT: Efficiency: Efficacy: CRI:	8872lm 3000K 59% 72.72lm/W 80
Notes			

MV integrated through-cable. * Direct e indirect emission dimmable Protection screen for indirect cabled LED plate included. Occupies 2 Dali destination

ACCESSORIES

Electronic power supply. IP67. Input voltage range: 90-264VAC / 47-63Hz. Output voltage: 48VDC. Protection against overcurrent. overvoltage, shortcircuit and overtemperature, with automatic restart. - 240W. For feeding up to a total 225W. 244x68x39mm. M075100

Supplementary

through-wiring

(optional). To be

configuration with

cabled gear trays.

used in mixed

LV and MV pre-
