

Crazy - Dove Gray/White

IP20  Dimmerable: 

DESIGN BY

Ernesto Gismondi

DESCRIPTION

Crazy is a wall and ceiling lamp that plays with geometry and colour. With its simplicity and strong nature, it can perfectly illuminate a room. A trapezoid frame protruding in space is designed around the broad diffusing surface. Both the frame and the rear support are painted in juxtaposed or counterposed shades to simply define a clearly different character – either neutral or definitely high-impact.

TECHNICAL DRAWINGS

FEATURES

Article Code:	1638020A	Material:	ABS, polycarbonate, technopolymer
Colour:	Dove Gray/White	Series:	Design
Installation:	Wall, Ceiling		

DIMENSIONS

Length:	cm 70
Width:	cm 10
Height:	cm 70,5

INCLUDED SOURCES

Category:	LED	Color temperature (K):	3000K
Number:	1	CRI:	80
Watt:	35 W	Efficacy:	94 lm/W
Delivered lumens output (lm):	4136 lm	Service Life:	L70(6K) > 36300h
Type:	0		
Class:	A		

LUMINAIRE

Watt:	35W	Delivered lumens output (lm):	3310lm
		CCT:	3000K
		Efficiency:	80%
		Efficacy:	94 lm/W
		CRI:	80
