Tigia - Gloss white

**IP**20 ⏚ ⚡️ CE Dimmerable: +◐−

DESIGN BY

Pio & Tito Toso

DESCRIPTION

Tigia is a wall lamp with an elementary shape and a small size to meet the ADA standards, which provide for minimum protrusion; it is perfect for the American market, also for the base covering the J-box. Starting from the size constraints related to these functional traits, the optical unit was designed in view of ensuring appropriate light distribution into the environment with a very limited thickness. A high-power COB LED is fitted in the bottom of the lamps' body. An asymmetrical optical unit controls emission by opening towards the central part of the room. Tigia can be installed to obtain direct, rather than indirect illumination, yet ensuring very comfortable lighting. The body joins the functional elements together in a sober and softly elegant way.

TECHNICAL DRAWINGS

FEATURES

Article Code:	- - -	**Material:**	Aluminium
Colour:	Gloss white	**Series:**	Scenarios
Installation:	Wall	**Emission:**	Indirect
Environment:	Indoor		

DIMENSIONS

Height:	cm 13.5	**Glow Wire Test:**	750
Depth:	cm 10		

INCLUDED SOURCES

Category:	LED	**Color temperature (K):**	3000 K
Number:	1		
Watt:	14 W		
Delivered lumens output (lm):	1144 lm		
Type:	0		
Class:	A		

LUMINAIRE

Watt:	14W	**Delivered lumens output (lm):**	1144lm
Voltage:	220-240V	**CCT:**	3000K
		Efficiency:	82%
		Efficacy:	82lm/W
		CRI:	90
		Dimmable Typology:	Push
