

Fienile outdoor

Design Daniel Rybakken, 2019

- Type: Floor
- Lamps: LED 17W, 3000K, CRI 90
available with:
on/off LED remote driver (*)
dimnable push/DALI remote driver (*)
Light grey: 923 lm
Dark grey: 780 lm
- Product use: Outdoor
- Materials: Structure: aluminium structure
Screen: polycarbonate
- Colors: Light grey, Dark grey
- Description: Originally created as a table lamp, Fienile is also available in floor lamp versions for outdoor use, based on the same design inspired by the iconic rural buildings of Norway. Fienile Outdoor is a work of micro-architecture, with its walls and pitched roof extruded in a single, solid block of coated aluminium, while the diffuser is in polycarbonate.
