1000242 DORENDO QPAR51 downlight, round, matt black, max. 50W

Fixed low-voltage recessed fitting from the DORENDO series. The lamp is installed set to the rear in this luminaire which is made out of steel. This design gives it a special appearance. The electrical connection is made via a separately available transformer providing 12V alternating current. Multi-lamp and high-voltage versions of this series are available. This luminaire is compatible with bulbs of the energy classes: C - A+
