Material	Stainless steel 304/acrylic glass
----------	-----------------------------------

The recessed wall lights of the SQUARE series consist of stainless steel 304 and an opalescent acrylic cube containing the lamp. It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection is made directly to the 230V mains supply. The SQUARE series also includes ceiling lights and floor stands and can therefore be used universally. This luminaire is compatible with bulbs in energy classes: A - A+

Notes
