Our WORKLIGHT LED SENSOR pendant impresses with its clear shapes, and is equipped with the most modern technology and highly-efficient, powerful LEDs made by Philips. The luminaire also has a presence detector, daylight control and a wireless Dali dimmer. Grouping of luminaires and individual adjustment for open plan offices is also possible. This means that this luminaire gives you the optimum conditions for functional light while still remaining stylish. The pendant is already fitted with pendant suspensions and ceiling plate and is therefore ready for immediate connection to the 230V mains supply.
