The 240V inground fitting DASAR FLAT 80 has a round stainless steel shade and frosted glass cover and is fitted with a high-performance power LED module. Because it is in protection class IP67, the luminaire - which is available with three light colours - is suitable for outdoor use. The electrical connection is made using the connection lead included directly to the 230V mains supply. A mounting pot is included in the delivery for simple assembly. This luminaire contains built-in LED lamps. EEL: A - A++. The lamps in the luminaire cannot be replaced.
