POWER TRAIL-LITE, the inground fitting and recessed wall light fitted with a powerful LED, can also be used for outdoor applications because of its IP67 protection. We alternatively offer other colours of light and round or square covers. For simplified mounting, a mounting pot is included in the delivery. The electrical connection is made by the connection lead of a separately available 350mA LED driver. This luminaire contains built-in LED lamps. EEI: A - A++. The lamps in the luminaire cannot be replaced.
