Our TWISTER downlight series is the individual recessed set for shops and exhibitions. The TWISTER downlight set is a combination containing a white double frame, two chrome-plated CMH downlight modules, a suitable ballast for two 35W bulbs with GU6.5 socket and two connection leads measuring 100 cm each. The adjustable lampholders guarantee individual orientation of light. The downlight set is supplied ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A+
