Remark 2	Adjustable in various positions
Remark 3	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	A
Suitable for lamps up to EEC	A+
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

Adjustable high-voltage Downlight for discharge lamps of the HORN series. Made from steel, the combination of lamp with reflector and safety glass is extendable up to 6 cm from the housing. This design results in a much larger swivel range. The electrical connection is made to a suitable and separately available ballast. This luminaire is compatible with bulbs of the energy classes: A - A+
