The F-LIGHT is fitted with an integrated 6.35W LED. The recessed light is made of aluminium, steel and plastic and is fitted with a warm-white LED. Next to the white housing colour, an additional cover is available in white, black or chrome. The fire-resistant recessed fitting for standard-compliant increased fire protection in F90 ceilings. A suitable constant current driver providing 350mA is required to operate the recessed fitting. This luminaire contains built-in LED lamps and is available in various beam angles. Optionally, a funnel-shaped or flat decorative frame can be used. EEL: A - A++. The lamps in the luminaire cannot be replaced.
