The DIABO SPOT high-voltage wall and ceiling luminaire is characterized by its clear lines. By the incorporated GU10 sockets the fitting is suitable for light sources up to 35W. The adjustable DIABO SPOT is available as a single or double headed version in white or chrome colour. The electrical connection is made directly to 230V mains supply. To complete the series we also offer a pendant version. This luminaire is compatible with bulbs of the energy classes: E - A++
