Remark 3	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	E
Suitable for lamps up to EEC	A++
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

Adjustable high-voltage spotlight PURI with incorporated adaptor for the 1-circuit high-voltage track system. Made from aluminum, the GU10 lampholder makes PURI suitable for halogen and LED bulbs. For halogen lamps with 5cm in diameter, an appropriate decorative ring is included in the scope of delivery. This luminaire is compatible with bulbs of the energy classes: E - A++
