Light distribution type 3	rotationally symmetric

Adjustable spotlight KALU TRACK GX53 with suitable adapter for the 1-circuit high-voltage track system. Conceived as an extension of the popular KALU series, this new spotlight takes on the shape of the product family. The incorporated GX53 socket ensures operation of energy-saving and LED lamps. To meet all lighting requirements, we additionally offer versions with G53 socket and with Philips LED modules for the 1- and 3-circuit systems. This luminaire is compatible with bulbs of the energy classes: B - A++
