The NEW BANKERS embodies the classic form of table lamps but is provided with a more modern, white glass shade instead of the classic green one. Designed for the use of high-voltage bulbs with regular E27 socket, the NEW BANKERS table lamp is supplied ready for direct connection to 230V mains supply. A connection cable of 180cm with incorporated switch is within the scope of delivery. This luminaire is compatible with bulbs of the energy classes: A - A+
