Designed for space-saving recessed wall installation, the BEDSIDE LED reading light provides an innovative and user-friendly lighting concept. The elegant luminaire is made from silvergrey coated aluminum and offers professionally manufactured mechanic, along with modern LED technology. If needed, the lamp is unlocked by pressing the blue glowing switch and can be folded out. At the same time, the night light switches to the lamp head that surrounds the incorporated 3W Power LED. To operate the luminaire a suitable constant current driver providing 700mA is required. We strongly recommend our model 464200. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
