Suitable for lamps up to EEC	A++
Light distribution type 1	direct

LED display luminaire for wall and ceiling installation of our IVED GOOSE series where canopy and lamp head are connected via a flexible arm. The incorporated Power LED makes it suitable for many different applications. Available in different light colours, the electrical connection is made directly to 230V mains supply via the incorporated LED driver. We alternatively offer a version with switch including a mounting box for masonry or cavity walls. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
