With the PLASTRA SQUARE LED plaster light, you have a highly-individual wall light with a puristic, clear design. By the incorporated and warm white LED strip, it offers an indirect mood lighting and thereby becomes a special kind of lighting object. Thanks to its built-in LED driver, it can be directly connected to the 230V mains supply. The light can be individually customised with paint, wallpaper and stickers. This luminaire includes built-in LED lamps. EEI: A - A++. The lamps in the luminaire cannot be replaced.
