The compact wall luminaire SLEEK LED UP-DOWN, equipped with two warmwhite LED of 1W each, combines brilliant LED light with straightforward design. Oppositely arranged, the two Power LED generate an up- and downwardly directed, similar light beam. The housing is slim and made from painted aluminum, available in either white or silvergrey colour version . A high-quality, already incorporated LED converter allows direct installation to 230V mains supply. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
