Suitable for lamps from EEC	D
Suitable for lamps up to EEC	A+
Light distribution type 1	direct-indirect

Due to its complex construction, the wall luminaire UFO BEAM has three light outlets and thus provides special lighting effects. Using materials such as aluminum, glass and PC combined with its IP44 protection rating, make UFO BEAM suitable for outdoor use. The electrical connection is made directly to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: D - A+

SLV Elektronik GmbH
