Adjustable and professional high-voltage spotlight SLEEK SPOT G12 with suitable adaptor for the 3-circuit high-voltage track system. Available in different colour versions, the incorporated ballast makes SLEEK SPOT G12 suitable for 70W discharge lamps. Furthermore, we offer versions with different beam angles. The modern electronic ballast is incorporated in the housing of the spot. As an optional accessory, we offer decorative rings in housing or reflector colour. The fitted reflector can be replaced with alternative angle versions. This luminaire is compatible with bulbs of the energy classes: A - A+
