Remark 4	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	D
Suitable for lamps up to EEC	A+
Light distribution type 1	direct
Light distribution type 3	rotationally symmetric

The four-headed low-voltage pendant luminaire AIXLIGHT SQUARE QRB111 is designed for use with low-voltage QRB111 halogen lamps. Thanks to the already incorporated transformer, the fitting is ready for direct connection to 230V mains supply. The optionally available holders allow simplified wall or ceiling mounting. This luminaire is compatible with bulbs of the energy classes: D - A+
