The high-voltage recessed wall and ceiling luminaire AIXLIGHT MOD is equipped with gimbal-mounted lampholders and designed for the use of high-voltage GU10 halogen lamps. The inner side of housing made from aluminum and steel is painted black, providing a look of levitating lamp heads. The silvergrey frame visually completes the AIXLIGHT MOD. The fitting is ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A++
