The Q-LINE DOUBLE pendant luminaire is optionally available with an either white or aluminum-painted housing with matching end caps in anthracite, or chrome finish. Two underneath attached, acrylic glasses provide glare-free lighting properties. Designed for two T5 fluorescent tubes with an output of 35W each, the incorporated ballast makes Q-LINE ready for direct connection to 230V mains supply. Using the optionally available longitudinal connectors, several Q-LINE fittings can be connected in only a few steps. This luminaire is compatible with bulbs of the energy classes: A - A+
