Light distribution type 3	axisymmetric

Our rectangular designed high-voltage pendant luminaire SOPRANA PD-1, available in either white or beige fabric, is designed for indoor use and four standard E27 incandescent or even-socketed energy-saving lamps. The clear structure of the lampshade with decorating reinforcing elements creates a harmonic overall picture of homogeneous and glare-free illumination through the voluminous lampshade. SOPRANA PD-1 is supplied ready for direct connection to 230V mains supply, including a 150 cm long pendant suspension. This luminaire is compatible with bulbs of the energy classes: E - A+
