Our conical high-voltage pendant luminaire SOPRANA CONE PD-1, available in either white, grey or black fabric, has been designed for indoor use and LED and energy saving light sources with E14 socket. The clear structure of the lampshade creates a harmonious overall picture with homogeneous and glare-free illumination of the lamp shade. The SOPRANA CONE PD-1 pendant luminaire is supplied ready for direct connection to 230V mains supply including 150 cm pendant suspension. We also offer a version that combines three shades with different colours in just one pendant luminaire. This luminaire is compatible with bulbs of the energy classes: E - A+
