The TRIADEM pendant is an extension of the SOPRANA OVAL family. Thus, the TRIADEM also has beautifully formed and modern textile shades. The entire series is equipped with E27 holders which allow for the use of all variations of standard and energy saving lamps, as well as LEDs. The TRIADEM luminaire has three lamps. It is connected directly to the 230V mains supply. Irrespective of the individual shade colour, all metal parts have an attractive chrome finish.
