## AVENTO 30 PD

LED Indoor pendant light, black/gold, 3000K

Article number 155960

Feed-in capability No

Lamp included No

Length 29.5 cm

Width 29.5 cm

Height 31.7 cm

Pendant length 200 cm

Net weight 5 kg

Gross weight 5.35 kg

Voltage 220-240V ~50/60Hz sec. 350mA

Protection class I

Beam angle 50 Degree

Material Aluminium

Colour black/gold

Average lifespan 35000 Hours

Colour temperature 3000 Kelvin

Colour rendering index 80

Luminous flux 660 lm

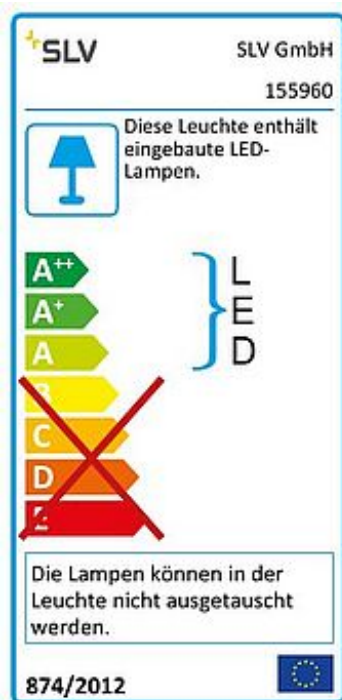

Energy efficiency class A++

Way of mounting Surface mounted / Ceiling mounted

Form square

Light distribution type 1 direct

Light distribution type 2 symmetric

The designer pendants in the AVENTO series have one or two powerful, TRIAC dimmable premium LED modules. The combination of the warm-white LED colour and the gold interior finish provides pleasant, well-being illumination. This aluminium pendant, which was designed for sophisticated lighting solutions, has an adjustable 2 metre long connection lead and appropriate steel wire suspensions. Thanks to the installed LED driver, the luminaires are suitable for direct connection to a mains voltage supply of 230V - 240V.
