The wall and ceiling luminaire L-LINE is made from silvergrey painted aluminum and equipped with a diffuser made from polycarbonate. The L-shaped basic design of the fitting provides glare-free illumination properties and can be used on surfaces such as mirrors. Designed for energy-saving T5 fluorescent tubes, L-LINE is supplied ready for direct connection to 230V mains supply via the incorporated, electronic ballast. This luminaire is compatible with bulbs of the energy classes: A - A+
