Remark 1	Conventional ballast incorporated
Remark 2	Energy labels in your language are available in the Service Area sub point Download
Energy class ballast	B2
Suitable for lamps from EEC	B
Suitable for lamps up to EEC	B
Light distribution type 1	indirect
Light distribution type 3	axisymmetric

The SOLF TC-D wall luminaire is made from silvergrey painted aluminum and designed for TC-D energy-saving lamps. The special design of the fitting provides indirect lighting attributes, while the already incorporated, electronic ballast makes it ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: B - B
