

## LIM RGB MASTER LIGHT MODULE

3x 36W, incl. controller

Article number	158020
Type of lamp	LED lamp
Lamp	T8 fluorescent bulb 36W (RGB)
Lampholder / Socket	G13
Number of light sources	3
Lamp included	Yes
Length	123 cm
Width	19 cm
Height	9 cm
Net weight	6.003 kg
Gross weight	16.06 kg
Voltage	230 Volt
Max. wattage	110 Watt
Protection class	I
Material	steel
Way of mounting	surface wall mounting / surface floor mounting / surface ceiling mounting
Remark 1	Three Electronic ballasts incorporated
Remark 2	Signal convertor 1 - 10 volt and LIM 2 controller included
Remark 3	Extendable with slave-light module, article nr. 158021
Light distribution type 1	direct
Light distribution type 2	indirect

Extraordinary atmosphere by coloured lighting design with the multicolour light tubs of the LIM light system. The tub itself contains three G5 lampholders to carry one red, green and blue T5 fluorescent lamp with 36W power each. The LIM2 control unit is included and together with the RGB master light module enables the control and retrieval of light colour and level on keystrokes at individual settings. For system expansion, suitable slave modules can be added. Thanks to the three already incorporated electronic ballasts, the LIM RGB MASTER LIGHT MODULE is ready for direct connection to 230V mains supply.
