The KOTAK EVG recessed downlight for commercial applications and those with high demands on clear light properties. Available in white and silvergrey colour version it is prepared for two 26W TC-DE energy-saving lamps with G24q-3 socket. A frosted glass shade gives the lamp its unique character and ensures glare-free lighting properties. Thanks to the already incorporated electronic ballast, the KOTAK EVG downlight is ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A
