High-voltage LED cabinet profile FURNITURE LED with incorporated switch. Due to the rectangular rear of the profile, it offers numerous mounting variants. For alternative mounting, another mounting bracket is part of the delivery. A connection can be made either directly via the integrated plugging system or via optionally available cable transits. Available in different colour versions, the electrical connection is made directly to 230V mains supply via mains plug. Longer versions of this series are available on request. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
