As a surface-mounted luminaire, our TRISTAN T8 series provides both simple and effective grid luminaires for homes and offices that unite clear design lines and useful value. The fitting is equipped with a highly polished reflector ensuring a downwardly emitted, glare-free light for use at workstations, in hallways, conference rooms and more. By the incorporated low-loss ballast, TRISTAN is delivered ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A
