Light distribution type 3	axisymmetric

With our pendant luminaire HANG UP we offer the professional office solution to a more than affordable price. The elegantly crafted aluminum profile fits into any interior design, while the high-gloss reflector with chrome-plated grid ensures a downwardly emitted, glare-free light. With the optional connection kit, you can connect any number of HANG UP grid fittings and thereby make your office or conference rooms more individual. Designed for the use of energy-saving and durable T8 fluorescent tubes, HANG UP is supplied ready for direct connection to 230V mains supply via the already incorporated ballast. This luminaire is compatible with bulbs of the energy classes: A - A
