The GIMBLE PRO G12 recessed ceiling luminaire in round shape with glass cover is equipped with a G12 lampholder for metal halide lamps of the same type. The head of the lamp can be swivelled by 90° out of the housing. Suitable reflectors with different beam angles are available as optional accessory. Available in the colour white and silvergrey, a suitable and lamp related ballast is required for operation of GIMBLE PRO G12. This luminaire is compatible with bulbs of the energy classes: A - A+
