The PARA MULTI 406 pendant luminaire is designed for technical, industrial areas, which is reflected in shape and its photometric attributes. The fitting is equipped with an E27 lampholder for incandescent and energy-saving lamps. We also offer suitable LED and mixed-light alternatives. Designed for a total output of 160W, PARA MULTI 406 can be used perfectly for hall or warehouse illumination. The pendant luminaire is ready for direct connection to 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A+
