The square, high-voltage version of our popular PIREQ QPAR51 recessed fitting series is available with a black, white or aluminium housing. The generous rotation and pivoting range of this recessed spot guarantees you the ability to individually focus its light beam, regardless of whether you choose to use halogen or LED retrofit lamps. Installation is carried out using the factory installed spring clips. The PIREQ QPAR51 recessed fitting is supplied ready for direct connection to a 230V alternating current. This luminaire is compatible with bulbs of the energy classes: E - A++
