Suitable for lamps from EEC	A
Suitable for lamps up to EEC	A++
Light distribution type 1	direct

The multiple LED fitted floor and wall luminaire TRAIL-LITE can be used for outdoor applications by its IP65 protection. We alternatively offer other light colours and satined or faceted glass covers. For simplified mounting, an installation sleeve is included. The electrical connection is made through the supply of a separately available and toroidal 12V low-voltage transformer. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
