Mobile lighting object with a closed, high-strength lamp shade made of opalescent plastic. A feature of this mobile luminaire is the ability to choose between a rust-coloured or anthracite-coloured aluminium frame with a carrying handle. Thanks to having protection class Ip54, as well as the connection lead and mains plug, the luminaire can be used in almost any location and is a visual highlight in every garden. This luminaire is suitable for lamps of energy classes: A - A+
