Outdoor spotlight of the SXL 2 series for fluorescent lamps. The fitting is made from aluminum and suitable to be mounted on walls, floors and ceilings by means of an incorporated mounting bracket. The electrical connection of the adjustable spotlight is made directly to 230V mains supply via an incorporated ballast. Rated IP65, the spotlight in different colour versions is suitable for outdoor use. The SXL 2 series further includes versions for energy-saving lamps. This luminaire is compatible with bulbs of the energy classes: A - A
