

MAKE01

outdoor light and sound object, IP55, tetrahedron, white

Article number	228081
Lamp	High-power LED
Light distribution type 1	direct-indirect
Lamp included	No
Feed-in capability	No
Length	85.5 cm
Width	85.5 cm
Height	72.5 cm
Net weight	13.565 kg
Gross weight	16.706 kg
Voltage	100-240 ~50/60 . 24/ Volts
Protection class	III
IP-rating	IP 55
Colour	white
Way of mounting	Portable
Energy efficiency class	A++
fastCalcEnabled	No
ranking	400
Catalogue page	BIG WHITE 2017: 539

Allow yourself to be fascinated by the tetrahedral Light and Sound Pyramid. The light pyramids are available in black and white and can be controlled in various ways (e.g. via DMX, Bluetooth or using an App). The powerful, integrated LED system allows colour control of up to 16.7 million colours which can be adjusted to pulse in time with the beat of the music. The specially developed polypropyln mixture with nano coating ensures that the well-known lotus effect is present and provides reliable protection against rain, heat and cold as well as UV radiation. When the device is optimally positioned, one pyramid can cover a sound area of up to 75 square metres.
