The aluminium-made floor luminaire of the OVIS series emits its light directly and indirectly from two opal illuminated surfaces of PC. As optional accessory we offer suitable spikes, concrete anchor sets, hanger bolt sets and a junction box for secure electrical connection within the bollard. The electrical connection is made directly to 230V mains supply. The OVIS series further includes wall luminaires making it universally applicable. This luminaire is compatible with bulbs of the energy classes: A - A+
