Suitable for lamps from EEC	D
Suitable for lamps up to EEC	A+
Light distribution type 1	direct-indirect

Manufactured from stainless-steel, the spike luminaire NAILS offers a special appearance by combining a frosted and a clear glass. The interleaved glasses are covered by a stainless steel cap. Rated IP44 it is suitable for outdoor use. We additionally offer an earth spike for simplified mounting. The electrical connection is made directly to 230V mains supply. The NAILS series further includes wall and floor lamps making it universally applicable. This luminaire is compatible with bulbs of the energy classes: D - A+
