Light distribution type 1	direct

Light distribution asymmetric  
type 3

With the weather-resistant and stainless steel-made recessed luminaire BRICK MESH, the satined glass pane is covered by a stainless steel grid. Rated IP54 it is suitable for outdoor use. The electrical connection is made directly to 230V mains supply via the incorporated ballast. An appropriate installation housing is included. This luminaire is compatible with bulbs of the energy classes: A - A
