Made of weather-resistant stainless steel 316, the 240V surface mounted NAUTILUS QPAR51 luminaire is designed for floor, wall or ceiling mounting. The lamp head fitted to the bracket can be tilted for optimal alignment. Thanks to its IP55 protection class, the luminaire is suitable for outdoor use. The electrical connection of the luminaire is done using the 1.5m connection lead. An earth spike is available as a further accessory. This luminaire is compatible with bulbs of the energy classes: E - A+
