The fresh interpretation of classic construction site luminaires for walls and ceilings with an already incorporated, high-power LED module. Available in white, silver or anthracite colour finish TERANG is equipped with a semi-circular and frosted glass shade which stands for most homogeneous light distribution. Rated IP44, this luminaire is designed for exterior use. Thanks to the already incorporated LED driver, TERANG is supplied ready for direct connection to 230V mains supply. This luminaire contains built-in LED lamps. EEK: A - A++. The lamps cannot be changed in the luminaire.
